

ACHIEVEMENTS
OF
THE STATE GOVERNMENT

(As on 30/11/2009)

AGRICULTURE

2007-2009

- **Production** : There has been record production of 155 lac ton of wheat and 170 lac ton of Paddy in the year 2009. This was achieved by ensuring supply of power, fertilizers and other inputs.
- **Procurement** : Record quantity of 105 lac ton of wheat and 132 lac ton of Paddy have been procured in year 2008 without any hassles to the farmers
- **RKVY** : Due to the efforts of the State Government, the state has become eligible for availing 100% grant from GoI under Centrally Sponsored Rashtriya Krishi Vikas Yojana (RKVY). During 2007-08, an expenditure of Rs 34.15 Cr was incurred against the approved allocation of Rs 37.95 Cr. During 2008-09, an amount of Rs 87.95 Cr had been approved and was released by GoI in two instalments against which Rs 63.92 Cr has been spent upto Nov, 2009 for various ongoing projects. In the year 2009-10, against an approved allocation of Rs 43.23 Cr, an amount of Rs 27.02 Cr has been released by GoI. Besides, conservation of irrigation water for sustainable production strengthening of agricultural research, creation of seed treatment facilities at village level, incentive for animal insurance and chips are being undertaken under this project.

Diversification

- **NHM** : To provide holistic growth to the horticulture sector the state is availing funds under the Centrally Sponsored National Horticulture Mission (NHM) and is providing matching State grant. During 2007-08, an expenditure of Rs 19.32 Cr was incurred against an approved allocation of Rs 27.22 Cr. In the year 2008-09, against an approved

allocation of Rs 91.66 Cr, GoI released Rs 57.52 Cr of which, Rs 24.92 Cr was spent. During 2009-10, against an approved allocation of Rs 51.73 Cr. GoI has released Rs 25.78 Cr, out of which an amount of Rs 11.45 Cr has been spent till Nov, 2009. 54 community water tanks with plastics, 4 Bio control labs, 4 plant health clinics and 4 leaf and tissue analysis labs has been created under the project.

- **12th Finance Commission :** Against the approved allocation of Rs 48.00 Cr, an amount of Rs 50.00 Cr was spent for diversification through Agriculture Production Pattern adjustment programme during 2008-09. An outlay of Rs 22.00 Cr has been provided in the Annual Plan 2009-10.
- **Citrus Estates:** To facilitate the production and marketing of citrus varieties, five citrus estates were established in the state during 2007-08 and were further strengthened during 2008-09.
- Strawberry has been planted on 5 acres at Ladhawal Farm, Ludhiana by Council for Value Added Horticulture. The Council now envisages the commercialization of crops amongst the farmers by providing them runners at nominal cost by multiplication to reduce the cost of cultivation and providing them training/technical know-how for smaller areas of 2-5 acres along-with drip irrigation to conserve the water table and increase the income of farmers through diversification.

Agro processing

- The present Government has so far approved 16 Agro mega projects involving a total investment of Rs 1971 Cr. These projects are under various stages of implementation/completion. So far, Rs 190 Cr have already been invested under these projects.
- **Agro Service Centres :** 5 Agro Service Centres to be set up in each block of the State as collective reservoirs of latest agricultural

technology to help/reduce heavy capital investment and high fixed costs on farms especially for the benefit of small and marginal farmers. About 500 such centres have already been sanctioned. About 300 such centres are working which are mainly with the Primary Agricultural Cooperative Societies at village level and providing custom-hiring service to the needy farmers.

- **Calamity Relief** : Relief to farmers affected by natural calamities enhanced from Rs 2000 to Rs 5000 per acre. Rs 76 Cr disbursed as relief to farmers whose crops were affected by hail/rain in April 2007.

COOPERATION

2007-2009

- Bhai Ghanhya Sehat Scheme was launched by the present Government on 1/10/2008 replacing Sanjivani Health Care Scheme, with total membership of 1.84 lac and 4 lac dependents - 238 hospitals have been empanelled. Claims amounting to Rs 39.40 Cr have been approved for 29373 beneficiaries. Treatment up to Rs 2 lakh would be available for members of all cooperative societies. The previous Sanjivani Health Care Scheme was restricted to members of Punjab Agriculture Cooperative Society (PACS). Bhai Ghanhya Sehat Scheme is being re-launched from January, 2010

ANIMAL HUSBANDRY, DAIRY & FISHERIES

2007-2009

- **Polyclinics** : A Rs 34 Cr project was sanctioned by NABARD for setting up new polyclinics and up-gradation of existing poly clinics in 2008-09. Rs 11.42 Cr has been spent for construction works of 4 new

vety. Polyclinics and 19 vety. Hospitals. An amount of Rs 17.00 Cr has been provided in the Annual Plan 2009-10 for the completion of ongoing works and for the purchase of machinery and equipment.

- The State Government has released Rs 4.00 Cr for the setting up of a Dairy Science College at GADVASU, Ludhiana.
- **Commercial Dairy Farms** : Around 1500 commercial dairy farmers have been attached with all the District Milk Unions affiliated to Milkfed and are supplying approximately 1.25 lac litre of cow milk daily to Milk Unions.

IRRIGATION

2002-2007

- Irrigation was not a priority area for the State Government during 10th plan. Expenditure incurred during 10th plan period was Rs 964.92 Cr. The potential created during 10th plan period was 114.47 thousand ha against the target for 160.300 thousand ha.

2007-2009

- **Rehabilitation of Distributaries and Minors** : State Government has accorded top priority to the rehabilitation of old canals and the problem of water logging in the 11th plan. Major emphasis is on rejuvenation of canal network for which a Rs 3677 Cr project has been formulated. Total expenditure during the first two years was Rs 230 Cr, work is in progress on 62 distributaries/Minors and will be completed in current financial year.
- **Patiala Feeder** : Work of Rehabilitation of 1st Patiala Feeder and Kotla Branch at a cost of Rs 124 Cr has been initiated to provide better irrigation facilities. The work of Ist Patiala Feeder has been completed with expenditure of Rs 25 Cr in 2007-08. The work on IInd phase Kotla Branch is in progress and expenditure incurred in 2008-09 was Rs 29.00 Cr. The target date is 31/3/2011.

- **Flood Protection** : Work of canalization of Sakki/Kiran Nallah in Amritsar and Gurdaspur with approximate cost of Rs 118 Cr has already been started. The target date is 31/3/2011. Besides, embankments are being constructed on river Ghaggar to save people from floods in Khanori and down stream in Patiala and Sangrur districts at a cost of Rs 137.43 Cr. An expenditure of Rs 80.82 Cr has been incurred in 2008-09. Expenditure incurred during 2009-10 (upto 30/11/2009) is Rs 7.29 Cr.
- **CADA** : Under CADA to provide assured irrigation to the farmers two new projects namely Sirhind Feeder Phase-II costing Rs 628.74 Cr and Bathinda Canal Phase-II costing Rs 366.10 Crore has been sanctioned under AIBP. The state share under these projects of Rs 121 Crore and Rs 70 Cr respectively has already been sanctioned by NABARD vide dated 28/7/2008 and 21/4/2008 under RIDF-XIII. The total length of 8042 Km of water courses shall be lined. The expenditure by 31/10/2009 is Rs 117.02 Cr including GoI grant.
- **Water Ordinance** : In the 11th Plan to replenish Ground Water, the State Government has already given approval for enactment of the Punjab Preservation of Sub-Soil Water Act 2009 to provide for the prohibition of sowing nursery of paddy and transplanting of paddy before the dates specified or notified (10th June) and Punjab Legislature Assembly has passed the bill on 9/3/2009.
- **Anti – Water Logging Measures** : 17 new surface drains are being constructed at a cost of Rs 373 Cr with one time ACA and with the help from NABARD to remove water logging in Muktsar and Faridkot Districts and Rs 27.53 Cr has been incurred in 2008-09. In addition, projects of Rs 952 Cr and Rs 489 Cr for relining of Rajasthan and Sirhind Feeders respectively has been approved by Government of India.

POWER

2002-2007

- Power generation was not a priority area for the state Government in 10th Five year plan. No new power plants set up.

2007-2009

- The expenditure incurred on power infrastructure upto 31/8/2009 is Rs 3701 Crore.

- **Lehra Mohabat Stage II:** Additional generation capacity of 500 MW has been added in 2007-09. The 3rd & 4th Unit were synchronized on coal in Feb.,2008 and Aug.,2008 respectively. The 3rd Unit has achieved commercial operation on 16.10.08 whereas the 4th Unit is running on full load since Nov.,2008 and yet to achieve commercial operation.

- **NEW POWER PLANTS**

State Government is determined to make Punjab a power surplus State by 2013. Major initiatives include -

- **Talwandi Sabo Thermal Power Plant (1980 MW)** –This project has been awarded to M/s Sterlite Energy Limited, Mumbai on 4.7.2008. The foundation stone of the project was laid by Hon'ble C.M. on 2.9.2008 and the PPA with the firm was signed on 1.9.2008 for 25 years. The revised commissioning of 1st, 2nd and 3rd Unit shall be Sept.-2012, Jan.-2013 and May,2013.

- **Rajpura Thermal Power Plant (1320 MW)** –

1078 acre land has been acquired for this project in Jan.-2009. The re-bidding was initiated for this project on 1.6.2009. 7 No. firms have submitted the bid documents by the due date i.e. 9.10.2009 which are under process. The 1st and 2nd unit of this project are expected to be commissioned in Dec-2013 and April-2014 respectively.

- **Thermal Power Plant Gidderbaha (1320 MW)** –

2311 acre land has been identified in village Theri, Ghagga and Babania of Muktsar Distt. Coal linkage assurance is yet to be issued by Ministry of Coal, GoI. Bidding process shall be started afresh for 1320 MW capacity after getting assurance of coal linkage. The Ministry of Coal is being vigorously pursued for issuance of coal linkage assurance for this project.

- **Thermal Power Plant GVK at Goindwal Sahib (540 MW) –**

The cost of the project is Rs 2963.81 Cr. M/s GVK has deposited the entire cost of 1068 acre land and the firm has taken possession in July, 2008. The stone laying ceremony was performed on 18.10.2008 by the Hon'ble C.M., Punjab. The 1st and 2nd unit of this project is expected to be commissioned by 1.7.2012 and 1.10.2012 respectively.

- **Other projects in pipeline**

UBDC Stage-III	85 MW
Shahpur Kandi HEP	168 MW
Shahpur Kandi extension	55.5 MW
Share from Central Sector	2539 MW

- **Share from Ultra Mega Projects (2303.36) :** The State Government has tied up with GoI for its sale of power in the ultra mega projects – Sasan (MP), Mundra (Gujrat), Orissa, Tallia (Jharkhand) and Cheur in Tamilnadu.

- **Consistent reduction in Losses :** The transmission and distribution losses have been reduced to 19.92 % in 2008-09 from 30.82% in 1999-2000 by achieving a reduction of 10.90 %, which is the second lowest in North India. The national average of T&D losses is 30.42% (2005-06).

- An ambitious Transmission and Distribution loss reduction Programme involving investment of Rs 5600 Cr over the next five years has already been finalized/approved to achieve the target of 15% losses by 2011-12.

- **Single Bulb Connection :** A project costing Rs 184.00 Cr has been prepared for upgrading the electrical infrastructure for release of 4.05 lac connections to the rural household including 1.49 lac single point connection free of cost to BPL families. The work has been allotted to M/s KLG Sistel Ltd, Gurgaon on turn key basis on 28/8/2008 and it would be completed by 30/6/2010.

- **24 Hour Power Supply to Dhanis :**

A sum of Rs 90 Cr was allocated for providing Urban Pattern Power Supply to Deras/Dhanis. Out of the identified 5516 Deras/Dhanis (with a cluster of 5 houses or more) 5463 Nos. Deras/Dhanis have already been extended the facility of Urban Pattern Supply (UPS) and an expenditure of Rs 53.25 Cr has been incurred.

- **Tubewell Connection :**

During 2007-09, 61849 Nos. new Tube well connections including OYT Scheme were released to the farmers in the State. Further during 2009-10, 39038 Nos. new Tube-well connections including OYT have been released up to Sept.,2009.

TRANSPORT

2007-2009

- **HVAC Bus :** 202 ordinary buses and 50 HVAC buses have been introduced by Punjab Roadways and PRTC.

- **AC Radio Taxis :** AC Radio Taxis to be introduced in Mohali, Ludhiana, Jalandhar and Amritsar.

- **Ultra Modern Air-conditioned Bus Stands :** To be constructed at Patiala and Mohali at the cost of Rs 150.00 Cr each.

- **300 ordinary and 60 HVAC buses by PUNBUS :** To be introduced by PUNBUS in 2009-10.

- **680 Buses Punjab Roadways Buses :** To be replaced in 2009-10.
- **Bus Terminal at Hoshiarpur :** To be constructed at the cost of Rs 5.00 Cr.

INDUSTRY & COMMERCE

2007-2009

- **Mega Projects :** After coming to power the present Government has sanctioned as many as 54 mega projects with proposed investment of Rs 37081.46 Cr.
- **Subsidy :** The total backlog of subsidy was Rs 500 Cr, out of this, an amount of Rs 350 Cr has already been disbursed till date and Rs 100 Cr is being disbursed every year.
- **Freight Corridor :** Eastern Route Freight Corridor from Son Nagar (West Bengal) to Delhi being developed by Government of India is to be extended upto Ludhiana in Punjab. Efforts are being made to get it extended upto Amritsar and linked it to the Western Freight Corridor.
- **Focal Points :** No money was spent on focal point during 2002-2007. Rs. 20 Cr has been released during 2008-09 for improvement of Focal Points.
- **Industrial Mix Use Park :** A Industrial Mix Use Park to be developed at village Jhall Thikarwal (Kapurthala) for which 226 acre of land has been acquired.

NIIFT centres at Ludhiana and Jalandhar :

- **Ludhiana-** Classes started from academic session 2008-09
- **Jalandhar-** Classes started from academic session 2009-10.

Pre-Departure Orientation Training Scheme is being implemented by the department under Ministry of Overseas Indian Affairs (MOIA). Department is in the process of setting up of an Overseas Workers Resource Centre in collaboration with MOIA which will work as a help-line for emigrant and prospective emigrating workers.

NRI Affairs

- To encourage the NRI participation in the development works in the State, the State Government has increased the existing state share from 50% to 75%. Remaining 25% to be contributed by NRIs.

INDUSTRIAL TRAINING INSTITUTES

Upgradation of Industrial Training Institutes into Centres of Excellence in Punjab (75:25)

The DGET, Ministry of Labour, Government of India, has launched implementation of a centrally sponsored scheme 'Up gradation of ITI's into Centres of Excellence" in 500 ITIs in all over India. About 35 ITI's are proposed to be upgraded into centres of Excellence in a phased manner during 11th Five Year Plan in the State of Punjab. The main feature of a centre for excellence is to give up module type of training and upgradation of existing ITI's. The Government of India share is reimbursed on the basis of actual expenditure incurred. As of now Department is implementing the scheme for 8 CoE's under Domestic funded and 27 CoE's under World Bank funded. An expenditure of Rs 31.00 Cr have been spent from 2006-07 to 30.11.2009 under this scheme.

RURAL WATER SUPPLY

- **Reverse Osmosis Plants in Rural Areas:** Government has for the first time providing water supply through RO Technology in Rural areas. Work in 55 villages in Gidderbaha Constituency in Mukatsar district was completed by installing 59 RO Plant in 2007-08 by utilizing Rs 4.37 Cr released under Punjab Nirman Programme(District level). A project of Rs 48.27 Cr was prepared by the Department of Water Supply & Sanitation, Punjab for installation of 471 RO Plants in 8 districts i.e Bathinda, Mansa, Faridkot, Mukatsar, Ferozepur, Sangrur, Patiala and Tarn Taran. A sum of Rs 25 Cr was released for providing water supply through RO Plants during 2008-09. During 2009-10, Rs 7.20 Cr has been released for installation of

RO plants. Installation of RO Plants is already under implementation in 327 villages and 193 RO plants have been installed upto 30.10.09 and coverage of another 134 villages with RO Plants is also under progress.

- **World Bank Water Supply Project(Rs 1280 Cr)** The Project has been renegotiated and contribution of community has been reduced to half. As against Rs 1500 per beneficiary, the contribution now required would only be Rs 800/- for general category and Rs 750/- to Rs 400/- per household in difficult area i.e notified along International Border, Kandi area, Bet Area and Waterlogged area. This amount would be further reduced to half in case of SCs. The project was held up for lack of cooperation from the community and it has now picked up.

- The project aims at covering the following villages in the next five year (2007-08 to 2012-13).

- (1) Not Covered villages= 739(Original target 2124)
- (2) Partially Covered villages= 2422(Original target 920)
- (3) Improvement of water supply=1600 villages
- (4) 1000 villages – Cleaning of village ponds
- (5) 100 villages – Small Bore Sewerage System

During 2007-08, only one scheme was commissioned and during 2008-09, 50 schemes were commissioned. During 2009-10, 11 schemes have been commissioned till 30/11/2009. Till date Rs 88.66 Cr were received from World Bank and an expenditure of Rs 21.75 Cr was incurred during 2008-09 and Rs. 16.64 Cr has been incurred during 2009-10 till 30/11/09. In batch-1, resolution from 508 villages have been received and 373 villages has contributed 100% beneficiary share.

URBAN DEVELOPMENT

- **Quality Bus Service:** The State Government has decided to provide high quality urban bus service with public private partnership in the three

Corporation Towns viz. Amritsar, Jalandhar and Ludhiana. The Bus service has been lunched in Jalandhar on 17/8/2008. Besides this GoI has introduced a scheme for purchase of city buses under JNNURM. This scheme is applicable two Mission Cities of Ludhiana and Amritsar. In pursuance to this, the State Government has prepared DPRs for Amritsar (Rs 33.30 Cr) and Ludhiana(Rs 66.20 Cr) and GoI has sanctioned the DPR for purchase of 200 buses for Ludhiana and 150 buses for Amritsar. The 50% cost of the project will be borne by GoI and the balance 50% from private operators which are yet to be selected. GoI has released Ist installment of Rs 8.33 Cr for Amritsar and Rs 16.32 Cr for Ludhiana for the purchase of buses which is yet to be released by the State Government. The Hon'ble Punjab and Haryana High Court has stayed the grant of permit to diesel city buses in three cities namely; Amritsar, Ludhiana & Jalandhar and only buses run on CNG are to be plied. Application has been filed in the Court to vacate the stay. Next date of hearing is 14/1/2010.

- M/s Delhi Metro Rail Corporation has been engaged for preparation of a detailed project report for providing Metro Rail Services in the Ludhiana city. Draft DPR received from DMRC. M/s Feedback Venture has been appointed project developer and draft DPR was sent to them for scrutinizing and making recommendations.

- **Effective Implementation of National Urban Renewal Mission:** The programme which was in limbo has been revived and a sum of Rs 308 Cr has already been received from GoI for various towns.

- SAS Nagar (Mohali) brought under the ambit of JNNURM.
- CDP of Rs 3150 Cr for Amritsar approved.
- CDP of Rs 2053.70 Cr for Ludhiana approved.
- The component-wise details are given below:-

For Mission Cities

Amritsar-

(UIG)- (i) DPR for water supply & sewerage for Rs 239 Cr approved. But now only Rs 19.02 Cr water supply project to be executed and the sewerage project to be executed under JBIC assistance, (ii) DPR for Elevated Road Project for Rs 149.49 Cr approved, (iii) DPR for Rehabilitation/ Augmentation of Sewerage System with in the walled city approved for Rs 36.90 Cr. (iv) DPR for Solid Waste Management Plant for Rs 73 Cr has been approved by GoP. GoI released Rs.97.39 Cr for all above projects. (v) DPR for purchase of 150 buses approved for Rs 33.30 Cr and GoI released Rs 8.33 Cr.

BSUP- DPRs of Slum Development Project approved for Rs 5.79 Cr and Rs 0.72 Cr was released during 2007-08.

Ludhiana-

UIG- (i) DPR for Sewerage & STP for Rs 241.39 Cr approved and GoI released Rs 30.17 Cr.

(ii) DPR for purchase of 200 buses for Rs 65.02 Cr approved by GoI. During 2008-09, Rs 16.30 Cr has been released.

BSUP- DPRs of Slum Development Project for Rs 66.64 Cr approved and Rs 16.65 Cr has been released by GoI.

For all towns except mission cities of Amritsar and Ludhiana

UIDSSMT- A total of 47 towns have been selected under UIDSSMT. DPR for Rs 574.61 Cr approved and GoI released Rs 158.30 Cr.

IHSDP-

(i) DPR for Construction and upgradation of dwelling units (Phase-1) approved for Rs 12.35 Cr in Jalandhar and Rs 3.58 Cr received from GoI.

(ii) DPR for construction & upgradation of dwelling units (Phase-II) of Jalandhar approved for Rs 30.05 Cr and Rs 9.20 Cr received from GoI.

(iii) DPR for construction and up-gradation of dwelling units of Rajpura has been approved for Rs 21.01 Cr. and 1st installment of Rs 353.63 lac was received from GoI.

- **Financial Achievement:** GoI has allocated Rs 507.75 Cr under UIG component, Rs 226.60 Cr under UIDSSMT, Rs 394.46 Cr under BSUP and Rs 143.80 Cr under IHSDP component. GoI has released Rs 344.19 Cr under all the four components till 30/11/09. An expenditure of Rs 178.52 Cr under UIG, Rs 31.34 Cr under BSUP and Rs.48.46 Cr under UIDSSMT has been incurred upto 30/11/09.

- **Physical Achievement:** Under Water Supply Project Amritsar, work on 26 tubewell completed and 18 tubewells commissioned, 12 OHSR completed out of which 6 commissioned and 2 under testing and distribution lines of 100 km was also completed. 80% work was completed in respect of Elevated Road Project. Work on rehabilitation & augmentation of sewerage system within walled city under was started in January, 2009. Work on 3968 dwelling units is under progress and 80 dwelling units roof slab casted in Amitsar. In Ludhiana, 1248 dwelling units roof slab casted under BSUP and work on 4032 dwelling units is under progress.

HOUSING

- **CLU :** Comprehensive policy for change of land use for all kinds of lands put in place. A sum of Rs 115.82 Cr has already been received during the year 2008-09 and a sum of Rs 24.77 Cr has been received during the current year from 1/4/2009 to 30/11/2009.

- **Master Plan :** New Town Planning norms confirming to international standard have been laid for the development of towns. A process for preparation of Master Plans of four Corporation Towns and 40 other towns has been initiated. Master Plan of Ludhiana, SAS Nagar and

Mullanpur has already been notified and for another 23 towns it will be notified by December, 2009 and the Master Plan of 18 towns will be notified by December, 2010. Regional Plan of Greater Mohali area bordering Chandigarh was prepared by M/s Jurong International of Singapore. The Master Plan of Zirakpur, Dera Bassi have been approved by the Punjab Regional and Town Planning and Development Board and are expected to be notified shortly. Master plans of Kharar and Banur was entrusted to M/S Jurong International which are likely to be finalised by December, 2009. Special Area Development Authorities have been set up for integrated development of Amritsar, Bathinda and Jalandhar.

- **Construction of houses for BPL and Economically weaker sections in urban areas:**

- The Punjab Government has decided to give following concession in the meeting of CMM on 20/2/2009.

Exemption of stamp duty/registration fee on purchase of land for financially weaker section housing in any part of state and or in earmarked zones.

For reducing the cost of financially weaker section houses there will be no CLU, EDC and License fee/permission on the land earmarked for financially weaker section houses.

In all Master Plans, specific area will be earmarked in Land Use for financially weaker section housing which should be at least 10% of the residential zone. In such areas there will be zero CLU, EDC and License fee on residential and institutional pockets.

It was decided by GoP that the area for financially weaker section houses to be earmarked in every colony irrespective of the size.

These relaxation are subject to the condition that the promoters/builders will have to construct all financially weaker section housing units within

3(three) years from the date of grant of license or exemption from the license.

WELFARE OF SCS/BCS

Shagun Scheme

- During 2002-2007, 95385 beneficiaries were covered with an amount of Rs 90.30 Cr.
- During 2007-09, 94697 beneficiaries identified, 86,666 beneficiaries have been given grant of Rs 15,000 totalling Rs 130.00 Cr. During 2009-10, Rs 13.33 Cr have been spent upto 30-11-2009 with which 8886 beneficiaries have been covered.

PUNJAB INFRASTRUCTURE DEVELOPMENT BOARD

STATUS OF MAJOR INFRASTRUCTURE PROJECTS FINANCED BY PIDB UNDER ENGINEERING PROCUREMENT CONTRACT (EPC) MODE- 2007-08

27 ROBs /RUBs under EPC mode with a cost of Rs 507.00 Crore are in progress.

Sr No.	Infrastructure sector/projects	Estimated cost (Rs Cr)	Status
1	Phagwara on Phagwara-Nakodar Road	25.00	Completed
2	ROB at Patiala in lieu of 21 No. Phatak	23.00	Completed
3	ROB at Dhuri in lieu of LC No A-52 at Dhuri	15.00	Completed
4	ROB at Dhuri in lieu of LC No A-63 at Dhuri	15.00	Completed
5	ROB at Sangrur on Ludhiana-Malerkotla-Sangrur road (LC No.64-A/2)	18.00	Completed

Sr No.	Infrastructure sector/projects	Estimated cost (Rs Cr)	Status
6	ROB at Malout on Malout-Sri Ganganagar Road	25.00	Ongoing. Nearing completion
7	ROB at Tanda on Tanda-Sri Hargobindpur road	17.00	Ongoing. Nearing completion
