
AGRICULTURE

2007-2009

- **Production :** There has been recovered production of 157 lakh tonns of wheat and 166 lakh tonns of Paddy during 2008-09. This was achieved by insuring supply of power, fertilizers and other inputs.
- **Procurement :** Recovered quantity of 105 lakh tonn of wheat and 132 lakh tonn of Paddy have been procured in 2008-09 without any hassles to the farmers.
- **RKVY :** Due to the efforts of the State Government the state has become eligible for availing 100% grant from GoI under Centrally Sponsored Rashtriya Krishi Vikas Yojana (RKVY). Against a grant of Rs 37.95 Cr earmarked for 2007-08, an Annual Action Plan of Rs 87.52 Cr has been approved for 2008-09. During 2007-08 various projects of agriculture and allied sectors have been undertaken with the assistance being provided under RKVY. Besides, conservation of irrigation water for sustainable production in Punjab, various interventions like conjunctive use of surface and ground water, under ground pipe Line conveyance system in tubewell commands, better On-farm water application through Laser Leveling are also being undertaken under this programme for sustainable development of agriculture in the State.

Diversification

- **NHM :** To provide holistic growth to the horticulture sector the state is availing funds under the Centrally Sponsored National Horticulture Mission (NHM) and is providing matching State grant. As a result an annual action plan of Rs 91.66 Cr under NHM has been approved for the state during the current year against Rs 24.10 Cr provided in 2007-08.

- **Citrus States :** To facilitate the production and marketing of citrus varieties five citrus states have been established in the state during 2007-08 and are further being strengthened during current year.
- **Farmers Training Centre :** A sum of Rs. 5 crore has been provided for the development of 4 Farmers Training Centers in the State.
- Strawberry has been planted out on 5 acres at Ladhowal Farm, Ludhiana by Council for Value Added Horticulture.

Agro processing

- The present government through Punjab Agro Industries Corporation has approved 10 mega projects involving an investment of Rs 1541 Cr (for 9 projects) during 2007-08 whereas only 20 projects were implemented with capital investment of Rs 2130 Cr during 2002-07.
- **Agro Service Centres :** 5 Agro Service Centres to be set up in each block of the State as collective reservoirs of latest agricultural technology to help reduce heavy capital investment and high fixed costs on the adoption of state-of-the-art farm implements.
- **Calamity Relief :** Relief to farmers affected by natural calamities enhanced from Rs. 2000 to Rs. 5000 per acre. Rs. 76 crore disbursed as relief to farmers whose crops were affected by hail/rain in April 2007.

COOPERATION

2007-2009

- Bhai Ghanhya Sehat Scheme was launched by the present Government on 1/10/2008 replacing Sanjivani Health Care Scheme, with total membership of 1.84 lac and 4 lac dependents - 238 hospitals have been empanelled. Claims amounting to Rs 12.96 Cr have been approved within a span of two months. Treatment up to Rs. 2 lakh would be available for members of all cooperative societies. The previous Sanjivani Scheme was restricted to members of PACS.

ANIMAL HUSBANDRY, DAIRY & FISHERIES

2007-2009

- **Poly Clinics** : A 34 crore project has been sanctioned by NABARD for setting up new poly clinics and up-gradation of existing poly clinics in 2008-09.
- The State Government has also approved the setting up of a Dairy Science College and College of Fisheries at GADVASU, Ludhiana.
- **Commercial Dairy Farms** : Around 750 commercial dairy farmers have been attached with all the District Milk Unions affiliated to Milkfed and are supplying approximately 1.25 lac litres of cow milk daily to Milk Unions.

IRRIGATION

2002-2007

- Irrigation was not a priority area for the State Government during 10th plan. Expenditure incurred during 10th plan period was Rs 967.27 Cr. The potential created during 10th plan period was 107 thousand ha against the target for 145 thousand ha.

2007-2009

- **Rehabilitation of Distributaries and Minors** : State Government has accorded top priority to the rehabilitation of old canals and the problem of water logging in 11th plan. Major initiative shall be on rejuvenation of canal network and formulated a project with approximate cost of Rs 3243 Cr. Total expenditure during the first two years is likely to be Rs 564 Cr. Work already started on 24 distributaries.

- **Patiala Feeder** : Work of Rehabilitation of 1st Patiala Feeder and Kotla Branch at a cost of Rs 124 Cr has been initiated to provide better irrigation facilities. The work of Ist Patiala Feeder has been completed with expenditure of Rs 25 Cr in 2007-08.

- **Flood Protection** : Work of canalization of Sakki/Kiran Nallah in Amritsar and Gurdaspur with approximate cost of Rs 118 Cr has been sanctioned. Besides, embankments are being constructed on river Ghaggar to save people from floods in Khanori and down stream in Patiala and Sangrur districts at a cost of Rs. 133 crore.

- **CADA** : Under CADA to provide assured irrigation to the farmers two new projects namely Sirhind Feeder Phase-II costing Rs 413 Cr and Bathinda Canal Phase-II costing Rs 242 Cr has been sanctioned under AIBP. The state share under these projects of Rs 121 Cr and Rs 70 Cr respectively has already been sanctioned by NABARD vide dated 28/7/2008 and

21/4/2008 under RIDF-XIII. The total length of 8042 Km of water courses shall lined.

- **Water Ordinance** : In the 11th Plan to replenish Ground Water, the Punjab Preservation of Sub-Soil Water Ordinance dated 17/4/2008 to provide for the prohibition of sowing nursery of paddy and transplanting of paddy before the dates specified or notified (10th June). Besides this, 17 new schemes aimed at rehabilitation of drains, construction of new surface drains, laying of sub-surface drains and re-energization of shallow tubewells at a total cost of Rs. 373 crore have also been taken up.
- **Anti – Water Logging Measures** : Drains are being constructed with the help of NABARD to remove water logging in Muktsar and Faridkot District.
- In addition, projects of Rs 897 Cr and Rs 364 Cr for relining of Rajasthan and Sirhind Feeders respectively have been sent to the Ministry of Water Resources, Government of India.

POWER

- **2002-2007** : Power generation was not a priority area for the state Government in 10th Five year plan. No new power plants set up.

2007-2009

- **Lehra Mohabat** : 2 units of 250 MW commission in 2008 against the target date of 31/03/2007.

NEW POWER PLANTS

- Government determined to make Punjab a power surplus State by 2012. Major initiatives include
- **Talwandi Sabo Thermal Power Plant (1980 MW)** – Land acquired and project allotted to M/s. Sterlite Energy Ltd, Mumbai on 04/07/2008. The plant would become functional in 2011.
- **Rajpura Thermal Power Plant (1320 MW)** – An SPV – Nabha Power Limited has been formed. This project is to be executed on BOO basis. Notification under section 4 for acquisition of 1080 acres of land had been issued on 11/6/2008. Bids have been received. LOA is expected in December, 2008. The commercial operation of first unit of 660 MW is likely to be achieved by 30/6/2012.
- **Thermal Power Plant Gidderbaha (2640 MW)** – Land identified and notification for its acquisition is being issued. RFQ documents have been issued on 31/10/2008 with submission date was as 19/12/2008. Bids would be finalized soon.
- **Thermal Power Plant GVK at Goindwal Sahib (540 MW)** - The cost of the project is Rs 2987 Cr. M/s GVK has deposited land award of Rs 164 Cr out of which Rs 155 Cr have been received by the beneficiaries. Environmental clearance from MOEF has been received. The stone laying ceremony was held on 18/10/2008 by the Hon'ble CM.

The CoD of the first and second unit is expected by 31/3/2012 and 30/9/2012 respectively.

- **Other projects in pipeline**

GHTP (Lehra Mohabat) Extension	500 MW
UBDC Stage-III	75 MW
Shahpur Kandi HEP	168 MW
Share from Central Sector	2539 MW

- **Share from Ultra Mega Projects (2225) :** The State Government has tied up with GOI for its sale of power in the ultra mega projects – Sasan, Mundra, Orissa, Tallia and Cheur in Tamilnadu.

- **Consistent reduction in Losses :** The transmission and distribution losses have been reduced to 22.53 % in 2007-08 from 30.82% in 1999-2000 by achieving target of 8.29 %, which is the second lowest in North India. The national average of T&D losses is 30.42% (2005-06).

- An ambitious Transmission and Distribution loss reduction Programme involving investment of Rs 5600 Cr over the next five years has already been finalized/approved to achieve the target of 15% losses by 2011-12.

- **Single Bulb Connection :** A project for providing single bulb connection to 4 lakh BPL families worth Rs. 184 crore has been allotted to M/s. KLG Sistel Ltd, Gurgaon on turn key basis on 28/8/2008 and it would be completed by 30/6/2010.

- **24 Hour Power Supply to Dhanis :** A sum of Rs. 90 crore has been spent in 2007-08 for providing 24 hour power supply to Deras/Dhanis.

- **Tubewell Connection** : 60,000 new Tubewell connection released to farmers in the State in 1 year.

TRANSPORT

- **HVAC Bus** : 50 HVAC buses have been introduced by Punjab Roadways and PRTC.
- **AC Radio Taxis** : AC Radio Taxis to be introduced in Mohali, Ludhiana, Jalandhar and Amritsar.

INDUSTRY & COMMERCE

2007-2009

- **Mega Projects** : After coming to power the present Government has sanctioned as many as 49 mega projects with proposed investment of Rs 36574 Cr.
- **Subsidy** : The total backlog of subsidy was Rs 500 Cr, out of this an amount of Rs 250 Cr has already been disbursed in the first two years of 11th plan and Rs 100 Cr is being disbursed every year.
- **Freight Corridor** : Eastern Route Freight Corridor from Son Nagar (West Bengal) to Delhi being developed by Government of India is to be extended upto Ludhiana in Punjab. Efforts are being made to get it extended it upto Amritsar and linked it to the Western Freight Corridor.
- **Focal Points** : No money spent on focal point during 2002-2007. Rs. 20 crore released in December 2008 for improvement of Focal Points.

- **Special Area Development Authorities** set up for integrated development of Amritsar, Bathinda and Jalandhar.

WELFARE OF SCS/ BCS

2002-2007

- During 2002-2007, only 95385 beneficiaries were covered with an amount of Rs. 90.30 Cr.
- During first two years 2007-08, 93549 beneficiaries identified, 53,333 given grant of Rs. 15,000 totaling Rs. 80 crore.

PUNJAB INFRASTRUCTURE DEVELOPMENT BOARD

2002-2007

- 24 Roads- Rs 900 Cr
- 29 Railway Over Bridges - Rs 450 Cr
- Punjab Institute of Medical Sciences at Jalandhar - Rs 225 Cr
- 2 Bridges (Gurdaspur Mukerian) (High level bridge on river Ravi) - Rs 100 Cr
- 3 Polytechnics and 9 ITIs - Rs 50 Cr
- Development of Modern Bus Terminals at 3 Bus Stands - Rs 45 Cr
- 6 Tourism Projects -Rs 25 Cr
- 3 Other Projects - Rs 25 Cr
- Mass Rapid Bus Transport System in three cities- Rs 15 Cr

2007-2009 – Projects Initiated after 2007

- **18 ROBS/RUBS with an approximate cost of Rs. 250 cr.**
 - ROB at Bathinda on Bathinda-Ghudda-Kheowali road (Bathinda-Suratgarh rail section L.C.No. 2C/2T)
 - ROB at Gidderbaha on Gidderbaha-Lambi road (Bathinda-Malout rail section L.C.No. B-20/2)
 - ROB near S.D. College at Barnala (Bathinda-Patiala rail section L.C.No. B-92)
 - ROB at Bathinda on Bathinda-Talwandi Saboo road (Bathinda-Mansa rail section L.C.No. B-240)
 - ROB at Barnala on Barnala-Moga (NH-71) (Delhi-Ferozepur rail section L.C.No. 92/A-2)

- ROB at Banga on Banga – Phillaur road (Nawanshahar-Phagwara rail section L.C. No. 32)
- ROB at Budhlada on Budhlada – Ratia road (Jakhal-Mansa rail section L.C. No. 194)
- ROB at Surra-Nussi on Jalandhar (NH-1/Bidhipur crossing) (Sura Nussi – Kartarpur rail section L.C. No. 59)
- ROB at Chajli on Sunam-Lehragaga road (Sunam-Lehragaga rail section L.C. no. 84)
- ROB at Jakhal on Jakhal-Budhlada road (Lehragaga-Jakhal rail section L.C. No. 104-A)
- ROB at Malerkotla on Malerkotla – Raikot road (Dhuri - Malerkotla rail section L.C. No. 40-B)
- ROB at Amritsar on Amritsar- Khemkaran road (Amritsar-Tarn Taran rail section L.C. No. B-4/E-2)
- RUB near Grain Market at Sunam (Sunam-Chajli rail section L.C. no. C-78 B)
- ROB at Shambhu Yard on Ghanour-Shambhu road (L.C. no. 131)
- ROB on LC no. B-110 on Mukerian-Naushera-Gurdaspur road section Mukerian-Bhangla
- 4-lane ROB near Science City Jalandhar on Jalandhar-Kapurthala road (LC A-16)
- ROB at Beas on Jalandhar-Amritsar road (LC C-46)
- ROB at Bathinda on Bathinda-Dabwali road (NH-64 Ext.) on Bathinda-Sirsa-Hisar railway line (LC no. C-184 E)
- **3 Roads with an approximated cost of Rs. 750 cr.**
- New road from Chandigarh-Anandpur Sahib (U.T. Boundary to Ghanuali)

- Chandigarh-Mullanpur road from U.T. Boundary to Kurali T Junction (Existing)
- Roads Along Sidhwan Canal, Ludhaina (Southern Bypass, Ludhiana)
- **2 High level Bridge with an approximate cost of Rs. 60 cr.**
 - Reconstruction of bridge over bhangi Choe, Hoshiarpur
 - High Level Bridge Over River Sutlej At Saria Ka Pattan, Ropar
- **16 OTHER PROJECTS with an approximate cost of Rs. 850 cr.**
 - 100% Water Supply in Gidderbaha
 - 100% Sewerage in Gidderbaha
 - Nature Walk in Moga Forest Range
 - Security Institute at Jahankhelan
 - Driving Training Institute at Mahuana, Muktsar
 - Modern Jail at Kapurthala
 - Construction of Modern Jail at Faridkot
 - Construction of proposed associated hospitals of Govt. Medical College Amritsar
 - Construction of proposed Guru Gobind Singh Medical College, Senate Campus and Academic campus for Baba Farid University of Health Services Faridkot
 - Construction new metalled bypass around Chawinda Devi in Amritsar District
 - Funding of various Irrigation Projects
 - Mohali International Airport (funding by PIDB for Land Acquisition)

- Water Supply and Sew. Schemes in Distt. Bathinda and Mansa
- Funding of various works of MC, Bathinda
- Funding of various works of MC, Amritsar
- Funding of Sew project and a bridge of MC, Patiala

PPP Projects initiated after 2007

I. 3 EXPRESSWAYS with an approximate cost of Rs 13400 cr.

- Mohali-Phagwara Expressway
- Expressway around Mohali (Mohali-Banur-Baddi)
- Pathankot-Ajmer Expressway Phase-I(upto Punjab/Haryana border) Unsolicited proposal

II. 2 RING ROADS with an approximate cost of Rs. 4000 cr.

- Amritsar Ring Road (Unsolicited proposal)
- Ludhiana Ring Road

III. 3 HIGH LEVEL BRIDGES with an approximate cost of Rs. 145 cr.

- HLB over river Sutlej at Makhu on Nakodar-Makhu-Ferozpur road
- HLB over river Beas linking Sultanpur Lodhi to Chola Sahib
- Bridge at Chakki Nadi in palce of pontoon bridge linking NH-1 A to NH-15

IV. 2 METRO RAIL PROJECTS with an approximate cost of Rs. 9500 cr.

- Ludhaina
- Amritsar (Unsolicited proposal)

V. 3 BUS STANDS with an approximate cost of Rs. 400 cr.

- New Bus Stand at Mohali
- New Bus Stand at Patiala
- New Bus Stand at Bathinda

VI. 2 HEALTH AND MEDICAL PROJECTS with an approximate cost of Rs. 200 cr. (approx.)

- Superspecialty Hospital at Mohali
- Superspecialty Hospital at Mohali

VII. 9 URBAN INFRASTRUCTURE with an approximate cost of Rs. 650 cr.

- Punjab Habitat Centre, Mohali
- 5 Star Hotel cum Recreational Facility near Bathinda Thermal Power Plant
- 5 Star Hotel in Sector 62, Mohali
- 5 star Hotel in new city centre, Amritsar
- 3 star hotel in new city centre, Amritsar
- Development of Multi-level Parking at Fire Station, Bathinda
- Development of Multi-level parking at Feroze Gandhi Market, Ludhiana
- Development of Multi level parking at DAC, Ludhiana
- Development of 5 nos. Foot Over Bridges in Ludhiana City

VIII. 2 CIVIL AVIATION PROJECTS with an approximate cost of Rs. 40 cr.

- Development of Flying Training Institute at Ludhiana
- Development of Flying Training Institute at Amritsar

XI. 1 SPORTS PROJECT with an approximate cost of Rs. 175 cr.

- Sports Complex at Mohali

XII. 34 INTERSTATE CHECK POINTS with an approximate cost of Rs. 300 cr.

- Computerized Inter State Check Points

XIII. 2 TECHNICAL EDUCATION (polytechnics) Projects with an approximate cost of Rs. 20 cr. (approx.)

- Polytechnic at Rahon
- Polytechnic at Nanowal

XIV. 1 INFORMATION TECHNOLOGY with an approximate cost of Rs. 175 cr. (approx.)

- I.T. Tower at Mohali

XV. 1 AGRICULTURE PROJECT with an approximate cost of Rs. 50 cr. (approx.)

- Fruit and Vegetable Market at Mohali

XVI. 8 TOURISM PROJECTS with an approximate cost of Rs. 300 cr.

- Development/upgradation of IHM Bhootgarh Mohali
- Development/upgradation of IHM at Sirhind
- Pinkasia Tourist Complex, Ropar

- Neem Chameli Tourist Complex at Wagha (O&M)
- Fast Food Counter, Ropar
- Fast Food Counter, Kurali
- Fast Food Counter, Khattarkhalan
- Fast Food Counter, Morinda
