ANNUAL ADMINISTRATIVE REPORT 2010-11

ECONOMIC AND STATISTICAL ORGANISATION, PUNJAB

Economic and Statistical Organisation acts as the data bank and caters to the statistical needs of the State as well as Central Government, policy makers & research institutions, experts and scholars engaged in Research & Development. The Organisation collects primary as well as secondary data at the state, district, block and village level. The collected data is compiled, analysed, interpreted and disseminated through various departmental publications. This Organisation is also the nodal agency for statistical activities in state. Therefore it coordinates statistical activities within the State and keeps proper liaison with Central Statistical Organisation, Government of India.

“Statistical Abstract of Punjab” and “Economic Survey of Punjab” are two well known annual publications of this Organisation which contain comprehensive data-based information on various socio-economic aspects of the State. Both of these publications are Budget Documents which are brought out annually.

Economic & Statistical Organisation is headed by Economic Adviser who is assisted by Directors, Joint Directors, Deputy Economic and Statistical Advisers, Research Officers and Assistant Research Officers.

Economic & Statistical Organisation has 16 regular sections. Besides these 4 more sections i.e. Human Development Research & Coordination Unit (HDRCU), Member of Parliament Local Area Development Scheme (MPLAD), Twenty Point Programme (TPP) & Economic Census are working at the State Head Quarter. One section works for the establishment and the remaining sections are engaged in data -based & research oriented technical work. The establishment section manages the human resource administration and is manned by superintendents, senior assistants, clerks and typists. The Directors, Joint Directors and Deputy Economic and Statistical Advisers provide tips of desired guidance in day to day research work on matters relating to economic and statistical issues. The Research Officers and Assistant Research Officers are mainly responsible for analysis and interpretation of data whereas collection and compilation work is done by Statistical Assistants and Investigators.

There is a District Statistical Office in each district of the State headed by Deputy Economic & Statistical Adviser which plays dual role of collection of statistics & implementation of various development plans & programmes. With the introduction of decentralized planning, Deputy Economic and Statistical Adviser is fully involved in the

formulation and monitoring of the District plan schemes. District statistical offices are also engaged in sanction/release of funds for a very high profile scheme known as MPLAD under which Rs. 2 crores are allocated to each of MP of the State by Govt. of India. Work of Twenty Point Programme is also reviewed by this department. Such schemes are implemented with existing departmental sanctioned staff and no extra staff is available for these schemes. Statistical activities are likely to get a very big boost with the implementation of centrally sponsored scheme "India Statistical Strengthening Project" under which State Strategic Statistical Plan has been prepared & under process of approval. Similarly number of activities are going to increase manifold at district level with the receipt FC-XIII grant of Rs. 20 crores for Punjab (Rs. one crore of each of the district). A chart showing the administrative set up and distribution of the work of various sections of Organisation is enclosed at the end of the report.

The activities and the assignments completed by each section/unit during 2010-2011 are given below:-

The work of each District Statistical Office is supervised by the Deputy Economic & Statistical Adviser. These offices help in collection and compilation of primary and secondary data and co-ordinate the statistical activities of various departments at the district level. Deputy Economic & Statistical Adviser-cum-Joint Secretary plays an important role in Distt. planning and provides secretariat services to Deputy Commissioners-cum- Secretaries of the District Planning Committees. DESA's are fully involved in the formulation, implementation and monitoring of the district level plan schemes.
